SENATOR TRUMAN H. NEWBERRY GUILTY REJECTED PEACE TREATY RETURNED TO WILSON TWO THOUSAND DEAD IN GERMAN REVOLTS

CHARGES AGAINST REPUBLICAN SOLON UPHELD BY JURY

Several Other Defendants Are Found Guilty of Criminal Conspiracy in Campaign

EIGHT WEEKS TAKEN TO CONDUCT TRIAL

Case Begins With 123 Accused and Ends With 85; Several Are Freed

GRAND RAPIDS, Mich., March 20.—Senator Truman H. Newberry and sixteen of his eighty-four co-defendants were found guilty of criminal conspiracy during the 1918 senatorial election by a jury in the United States district court here today. Besides the senator, the men convicted were his brother, John S. Newberry, Paul King, his campaign manager, Frederick Cody, New York legislative agent, Charles Floyd, Grand Rapids, Allan A. Templeton, president of the Detroit board of commerce, Hannibal Hopkins, publicity director, B. Frank Emery, office manager, Harry O. Turner, Detroit, E. V. Chilson, of the National Republican headquarters, Roger Andrews, Menominee, publisher, Milton Oakman, Detroit politician, William J. Mickel, Oshkosh, Wis., Richard Fletcher, state labor commissioner, James F. McGregor, Detroit, Fred Henry, Flint, and George S. Ladd, Sturbridge, Mass. All other defendants were acquitted on the first charge and none was found guilty on the sixth count. The penalty is a fine of \$10,000 or less, and two years or less in prison.

Senate to Decide
WASHINGTON, March 20.—Conviction of Senator Newberry by the Grand Rapids jury does not invalidate his seat in the senate, Republican leaders said today. He will be entitled to retain office, they declared, until the senate itself acts on the charges filed by his opponent, Henry Ford. A sub-committee of the elections committee, headed by Senator Watson, Republican, Indiana, now is awaiting a conference with counsel for Newberry and Ford regarding procedure in the senate investigation of the charges. Whether Senator Newberry, in view of his conviction, will continue his duties in the senate pending a final decision of his case by the courts is a matter for his own discretion, senators said. Senate leaders had been advised by Mr. Newberry that in event of conviction he would carry an appeal to the United States supreme court, if necessary.

CORK LORD MAYOR VICTIM OF ASSASSIN

LONDON, March 20.—The lord mayor of Cork was shot dead at one o'clock this morning. The revolver was fired by masked persons whose identity is unknown. They entered his residence and after firing the shot escaped in an automobile. A half dozen men knocked at the door of the home of the lord mayor, Thomas McGurk. Mrs. McGurk opened the door and the men rushed in. Some of them held her while others ran upstairs to the mayor's bedroom. They took him to the landing and shot him in the chest. They then fled. Mrs. McGurk telephoned immediately for a doctor and a priest. The mayor died soon after the arrival of the priest. Mayor McGurk, a prominent Sinn Féin, was interned after the Easter rebellion.

COMMANDER WILL SPEND FIVE DAYS IN NAVAL PRISON

PORTSMOUTH, N. H., March 20.—Lieutenant Commander Thomas Mott Osborne, who has resigned as commandant of the naval prison here, will spend his last days at Portsmouth as a voluntary prisoner. He registered as "Tom Brown" and announced that he would remain in confinement until he relinquishes command next Tuesday, as a final test of his welfare system. Before he assumed command of the prison three years ago, he served a voluntary sentence, cutting ice and coaling ships with prisoners. He also submitted to the prison haircut. Osborne has been active for years in the cause of prison reform.

LABOR LEADERS OF ENGLAND PEEVED BY PREMIER'S ADDRESS

Arthur Henderson Says Workers Accept Challenge; Will Battle Coalition Move

LONDON, March 20.—Keen resentment is felt by moderate labor leaders over the attack made upon the Labor party by Premier Lloyd George when he launched proposals for a Liberal-Unionist coalition on Thursday. They declare the premier was "preaching class war" in outlining his reasons for the new political alignment. Arthur Henderson, leader of the Labor party in the house of commons has issued a statement, saying: "Labor accepts the challenge of Mr. Lloyd George. We are arranging to appeal not only to organized workers, but to every sympathizer. The Labor party aims to raise a fund to enable it to fight the coalition and proposes to ask for subscriptions totaling £2,000,000 in anticipation of an early election."

LONDON, March 20.—(By Canadian Press)—The Manchester Guardian, probably Britain's weightiest exponent of independent Liberalism, professes a good deal of sympathy with Premier Lloyd George in his political plans. It says that he is by nature and sympathy a Liberal, but has got into the wrong box. The problem for him is how to get out. The Guardian thinks the premier's denunciations of Labor in his address to Coalition Liberals Thursday are not to be taken as much more than a rhetorical exercise.

The Daily News, which has long been bitter towards the premier, considers "if a new party is produced by fusion it will owe little to Premier Lloyd George. The Times considers what he really meant: "Help me fight labor which is Socialism," which, the newspaper says, is "a doctrine poor, false and dangerous."

HEAD CLERK DEAD IN HOTEL BLAZE

MASON CITY, Ia., March 20.—Maurice Aplin, head clerk of the Cecil hotel, died this morning of suffocation by smoke in a fire which is destroying the Cecil hotel. Mrs. F. A. Snow, manager and proprietor of the hotel, is in Omaha and had not been notified at 8:30 o'clock. Firemen were confining the blaze to the building proper, but believed it would be destroyed. It is valued at about \$200,000. Broken machinery at the water works is adding to the difficulty in fighting the fire.

MORE THOUGHTFUL CITIZENSHIP NEEDED F. K. LANE DECLARES

Former Secretary of Interior Writes Paper for Community Organization Meeting

SEES GREAT GOOD IN NEW MOVEMENT

Too Many Divisions in Our National Life Says Former Cabinet Member

WASHINGTON, March 20.—Development of a more thoughtful and interested citizenship and the translation of crystallized public sentiment into action are the two needs of grave import confronting the nation at this time, Franklin K. Lane, former secretary of the interior, declared in a paper read today at the opening session here of the national conference on community organization. Mr. Lane said his interest in community organization arose from his conviction that it would help to solve both of these problems. "The movement has many phases," he said. "It lies, for instance, at the very root of a proper Americanization, for the essence of Americanization is not merely to teach English, but to draw the newcomer into our common life and to make him an active partner in all of our undertakings. "But above all else the community organization movement tends to break group lines and to bring the people together as citizens and neighbors for consideration and action regarding their needs. A more interested citizenship and more intelligent decisions regarding public questions must reflect themselves in better government. "We need as a people to emphasize the common interests which bind us together. There are divisions in our national life. Let us recognize them all—economic, social, political, racial, whatever they may be—let us examine them, weigh them and find solutions for them. But let us also remember that after all we are human beings embarked together on a great adventure—most inspiring, the most spiritual adventure man ever dared—the search for a democracy based on fellowship and justice."

LEADER IN ZAPATISTA MOVEMENT GIVES UP

MEXICO CITY, March 20.—Manuel Panofo, one of the leaders of the Zapatista movement, surrendered yesterday and is arranging with the war department for the capitulation of remaining bands of outlaws formerly under command of Emiliano Zapata, who was killed in a fight with government troops April 11, 1919. These bands are in Morelos and nearby states. Questioned by interviewers as to the reason for his surrender, Panofo stated he could not continue to oppose the present government in alliance with Francisco Villa, Felix Diaz, Manuel Pelaez and other rebel leaders.

TREES PLANTED WHERE YANK SOLDIERS FELL

WASHINGTON, March 20.—On the battlefields, where American soldiers gave their lives when the call for humanity came, France is planting trees sent by the American Forestry association. "In the years to come," said Charles Lathrop Pack, president of the American Forestry association today, "America will have the finest of all memorials on the battlefields where her sons answered the call of humanity—the living, growing trees of America."

The strike of seamen, which began a month ago, continues and losses suffered by the Argentine coastwise and river trade have amounted to millions.

MOST POWERFUL OF WORLD BATTLESHIPS LAUNCHED IN STYLE

Maryland is First of Four Ships of Class Authorized by United States

NEWPORT NEWS, Va., March 20.—The superdreadnaught, Maryland, designed as the most powerful battleship in the world, was launched here today with Mrs. E. Brooke Lee, wife of the comptroller of the state of Maryland, as sponsor.

Secretary Daniels, Governor Ritchie of Maryland, and a number of other naval officials and state officers attended the launching, which was the first public one held here since the United States entered the war. "The Maryland is the first of four ships of her class to be launched and is one of the ten superdreadnaughts authorized in the first three year building program adopted in 1916. With a length of 624 feet over all, a beam of 97 feet and full load displacement of 32,500 tons, she is the largest fighting craft built for the American navy and when commissioned will be one of the most powerful battleships in the world."

Plans Are Changed.

Originally designed to carry twelve 14-inch rifles, the plans for the ship were so changed during the war that she will have instead eight 16-inch guns—the first of this size ever mounted on a ship. They will be placed two each in the four turrets on the center line, two forward and two aft. They will be larger by one inch than the great guns on the British ships of the Queen Elizabeth class which were used in the bombardment of the Dardanelles.

Battleships designed since the Maryland was laid down, however, will be even more powerful. They will carry twelve 16-inch rifles and will measure 684 feet over all with a displacement of 43,200 tons. Their speed will be 23 knots as against the 21 knots of the Maryland and practically all previous classes of American dreadnaughts.

WASHINGTON, March 20.—Population statistics for 1920 announced today by the census bureau included: Schenectady, N. Y., 88,723, an increase of 15,897, or 21.8 per cent over 1910.

MOVE TO DECLARE STATE OF PEACE IS NEXT ON PROGRAM

HOUSE MUST JOIN IN PEACE DECLARATION

Knox Resolution Will Be Taken Up in Senate at Monday Session

WASHINGTON, March 20.—The treaty of Versailles was returned to President Wilson today by the senate after it had failed of ratification last night for the fourth time.

There was no intimation as to what President Wilson would do with the treaty. White House officials said the usual procedure would be to send it to the state department for "burial" in the archives there.

Mr. Tumulty, who was given the treaty, said there would be no statement from the president.

The senate was not in session today but when the house met Representative Tinkham, Republican, Massachusetts, offered a joint resolution declaring a state of peace between the United States and Germany.

Under the resolution Germany would recognize all rights which the United States might have had under the Versailles treaty. Should Germany fail to agree to this, the president would be authorized to prohibit resumption of trade relations or the extension of loans or credits.

WASHINGTON, March 20.—With the peace treaty back in the White House today accompanied by notification to the president that the senate had finally "refused to advise and consent to its ratification," Senator Knox's resolution to declare a state of peace with Germany will take its place on the senate floor. Consideration last night after the adverse vote on ratification was blocked by adjournment until Monday.

Republican leaders expected some such measure to be passed. The treaty question was regarded as already injected into the presidential campaign as one of the main issues on which Republicans and Democrats will fight for national endorsement this fall.

Ratification was defeated last night by a vote of 49 to 35, the lineup being 28 Republicans and 21 Democrats for and 23 Democrats and 12 Republicans against. The net result of four months of compromise negotiations was the addition of 17 Democrats to those voting for ratification.

Action by the house of representatives would be necessary to consummate a declaration of peace by resolution as contemplated by Senator Knox. His resolution proposes the repeal of the joint resolution declaring war and provides that unless Germany notifies the United States of its acceptance of all undertakings contained in the treaty of Versailles, the president will have the power to prohibit by proclamation commercial intercourse between the two nations or the giving of any assistance to Germany.

FOES OF SALOON DECLARE WAR ON SOLON HITCHCOCK

WASHINGTON, March 20.—The AntiSaloon league today declared war on Senator Hitchcock of Nebraska.

Wayne B. Wheeler, general counsel for the league, in a formal statement said the senator's declaration in favor of an amendment to the prohibition code permitting light wines and beer "ought to defeat him not only as a candidate at the Democratic convention, but for the leadership in the senate."

"To champion a beer and wine amendment is nothing short of an attack upon law enforcement," said Mr. Wheeler. "This beer and wine movement is the entering wedge to destroy prohibition."

\$420,000 INCOME TAX PAID OUT BY OGDEN'S CITIZENS

Unofficial Figures Show Weber County Has 3,000 Persons Filing Returns

Unofficial figures available since the close of the income tax drive last Monday, March 15, indicate that \$416,603.39 was handled through the Ogden office of the internal revenue service and furnishes an estimate of the amount of federal tax which will be paid by Ogden taxpayers on 1919 incomes. The report also shows that 2750 taxpayers filed their returns in the local office.

In neither case do the amounts take into consideration the returns which were mailed direct to the office of the collector in Salt Lake City nor the amount of tax paid in the same manner. Taking these into consideration, revenue officers estimate that Ogden and Weber county taxpayers filed a total of not less than 3000 returns calling for approximately \$420,000.

The total collections of \$146,603.39 for the three months of the drive, January, February and March, as compared to the estimated total income tax returned, is explained by the fact that a large percentage of the largest taxpayers, particularly corporations, took advantage of the quarter payment plan and remitted only one-fourth of the actual tax due in filing return.

The work of making a preliminary audit of the returns will be taken up in the office of the collector in Salt Lake City within the next few days, according to internal revenue officers, and it is expected that a campaign for rounding up 1919 delinquents will be started within the next thirty days.

Under den Linden bristled today with barbed wire and the Hotel Adlon was thoroughly screened with it, and guarded by troops. Wild rumors are afloat, becoming grotesquely magnified in circulation.

The inner city streets are seething with excited people. Disorders are occurring in the suburban districts. There is a conspicuous absence of troops in the workmen's dwelling districts where agitators are feverishly busy.

Communists who have occupied five stations in the eastern section of Berlin refuse to permit the resumption of railroad traffic until their demands have been met, says a dispatch to the Exchange Telegraph company filed at Berlin this morning.

It was announced in the Baden diet yesterday that the Ebert government had offered large rewards for the arrest of Dr. Kapp and General Luettwitz, the leaders of the latest revolt in Berlin, according to a dispatch from Cologne today transmitted by the Exchange Telegraph correspondent at Amsterdam.

Buildings Bombed. Ebert troops have bombed public buildings at Leipzig in an attempt to dislodge German worker forces and several hundred persons have been killed as a result, says a Berlin dispatch to the Exchange Telegraph company. The message says 100 were killed and 200 wounded in the street fighting in Berlin on Thursday.
